Palm Sunday

Holy Thursday

Weekly Update

Dear Parents,

As we begin the Easter Triduum, we hope this finds you well. As we are well aware, the adjustments that you have had to make in your lives has not been easy. We are continuing to send lesson plans in order to maintain some contact with your children and to give you materials to support you through this difficult time. Please use these lessons and resources to best meet your needs. If you missed the St. John Bosco "Living Stations of the Cross - Journey of Decision," you can now view it anytime (visit the Home Page of our [website](#).)

If you are feeling overwhelmed with the amount of information, we ask you to do only one thing this week. Please make an "Act of Kindness" card and text to (314) 952-5428 or e-mail it to [Mrs. Meirink](#). The instructions from the "Weekly e-mail" of April 3 are below. Our "Easter Garden" to date has only two cards. The disciples were given on Ash Wednesday, a packet of seeds to help them to remember to do "Acts of Kindness" daily. We anticipate *a beautiful garden of flowers that these seeds have produced*.

Remember to visit the website if you need extra activities for your children. It is updated frequently. We will not be sending any lessons next week.

When you send your card, please include a message letting us know how you are doing.

Be assured that the catechists, staff, and Fr. Welsch at St. John Bosco are praying for you and your children.

We miss you!

"Acts of Kindness" Cards

As you recall, we asked the disciples to perform acts of kindness during Lent.

I am asking each family to participate in making a card that demonstrates an act of kindness. For example,

- * a thank you note to acknowledge some of our heroes during this pandemic
- * a note of encouragement to those who are ill or alone
- * a note of gratitude to someone who has helped you

After completing the card, please take a picture and e-mail to me or text to (314) 952-5428.

These will be displayed in a special "Easter Garden."

If you do not want your child's name on the card, please sign it "Disciple at St. John Bosco."

Finding God E-Newsletter

In this Spring edition of the Finding God E-Newsletter, you will find stories and ideas to help you spend more time with Jesus and see the holiness growing within your families and yourselves.
